

ARM perforator located

The ARM perforator (A233.7P) is now owned by member Pat Callis (#2383) and he says he will provide examples of the perfin to fellow members if they provide a self-addressed stamped envelope with the stamp they wish to have perforated. The ARM pattern was originally owned by the late Alan R. Miskimin. Callis may be reached at 5551 FM2633, Santa Ana, TX 76878-6424.
